

# The Aura-Soma® Equilibrium Bottle 'the Essence of Aura-Soma'

Equilibrium Bottles are one of the 5 pillars of Aura-Soma, along with the Pomanders, Quintessences, Colour Essences and ArchAngeloi

Equilibrium Bottles come in a range of 107 colours, in 50ml/20ml glass bottles.

The bottles which Vicky Wall began producing in 1983 have become known as Equilibrium bottles – these are the core of the Aura-Soma® System from which all the other supportive products have developed. They are used during and in conjunction with Aura-Soma® consultations.

These bottles are glittering dual coloured combinations containing the energies of colour, plants and crystals. Many have said that they are a mirror of the soul, and so by becoming aware of the nature of our soul through the bottles, they can help us realize our gifts and potentials, why we are here and what we are here for.

## How to Select a Equilibrium Bottle

### Have a Consultation

The best way to discover the Aura-Soma® Colour-Care-System® can do for you is to have a consultation with an Aura-Soma Colour Care Practitioner®. Where over 100 dual coloured bottles are displayed, their jewel like colours shimmering before your eyes. The trained Practitioner invites you to choose the four bottles which call to you the most – the ones that you can't resist.

### In a Consultation

The four bottles speak of our choices and our journey through time, revealing aspects of our personality, our gifts and talents, our present situation and our potential.

'You are the Colours you choose and these reflect your being's needs'.

We may gain an insight into why things are happening and gain a new perspective on our life's direction.

Through this understanding you can make new more informed choices.

Your Practitioner will then assist you in choosing an Equilibrium bottle and other supporting products to take home and use to help you reach your desired potential.

The wisdom that comes through the search. The ability to make the appropriate decisions in relation to one's life purpose. To be able to find the appropriate direction that will take one to where one needs to be. The understanding of karmic seeds and the way one is to do what one is to do.

### **#064 Emerald Green/Clear**

**Djwal Khul:** *The seekers Master. Seeking of itself. The truth of the search.*

The Seeker's Master. The emphasis is on the seeking and not on the finding. The process is all important, the result, less so. An interest in the stars, astrology, and the new psychology. An understanding of aspects that lead in the direction of transcendence.

### **#065 Violet/Red = Dark Red**

**Head in Heaven and Feet on Earth:** *A deep sense of balance. The energy to perform one's service*

A grounded bottle which says: the feet are firmly placed upon the earth, the head is in heaven. The necessity for grounding to bring about transformation, that one may get in touch with one's true purpose, why one is here and what one is for.

### **#066 Pale Violet/Pale Pink**

**The Actress/The Victoria Bottle:** *To detach from the conditioning to be able to see the actors upon the stage of the self*

One plays many parts, as long as one does not believe them to be who one is. To have a central core of ease within the structure that exists around the core of oneself. To know oneself by the way one does what they do rather than what they do.

### **#067 Magenta/Magenta**

**Love from Above:** *Love in the little things. Where we recognize God is in the little things.*

To put the love in the little things: practical application of one's spiritual intent. Awareness, mindfulness, attention, put into the everyday activities, leads to a growth in consciousness. To see what one needs to do.

### **#068 Blue/Violet**

**Gabriel:** *The Angel of Peace and fulfillment. A connection with the ability to discern.*

Activity that leads in the direction of helping one to get in touch with the lightness of one's being. Whether this is through crafts or practical creative expression, these activities can lead to the lightness of being. The power of love in practical expression. A communication of spiritual ideals.

### **#069 Magenta/Clear**

**Sounding Bell:** *The purification as a consequence of the love from above. The purification derived from putting the love in the little things. Being in the moment.*

A complete picture, a sense of many things coming into resonance where one begins to feel the wholeness of oneself. The purification as the love is practically put into the inanimate objects that one handles moment to moment, day to day. A growth of consciousness through attention. Love as a practical expression.

### **#070 Yellow/Clear**

**A Vision of Splendour:** *The clarity to see the bigger picture more openly. To gain knowledge in relation to the vibration of the light*

Clarity emerges when one faces the realism of situations and circumstances rather than imagining things as one would like them to be. The possibility to integrate, with joy, information that has been acquired.

### **#071 Pink/Clear**

**The Essence Bottle 2/ The Jewel in the Lotus:** *Taking responsibility for the thoughts and the feelings opens the door to the power of love.*

A sense that many things are about to flower as a consequence of something being realized in the context of love in one's life. A growth in what one allows oneself. A growth in self acceptance that brings tender, caring warmth to arise as a consequence of the lightness of being.

### **#072 Blue/Orange**

**The Clown, Pagliacci:** *Joyful insights to be communicated from within*

### **#081 Pink/Pink**

**Unconditional Love:** *Compassion, caring and warmth. The expression and needs in relation to love*

Self acceptance brings one in touch with the child within that one may experience the unlove that the child experienced. One now needs to offer to that child within the self, the love that one can summon from one's life.

### **#082 Green/Orange**

**Calypso:** *Insight revealed as we make space for ourselves. The revelation of the deepest joy coming from the heart.*

Freedom in relation to the difficulties of the past. To be able to release restraints from the time line to come closer into synchronicity as one begins to find the rulership within the self. The chance to reconnect with being in the right place at the right time doing the right thing.

### **#083 Turquoise/Gold**

**Open Sesame:** *The process of individuation in relation to the star of incarnation where we find the wisdom of the past expressed through the creative communication of the heart*

The depths of wisdom are to be expressed in a new way. The Aura-Soma teacher opening the door as a new age, a new aeon, begins to dawn, where the ancient wisdom is re-evaluated in the sense of discrimination. Communication through the feeling side of the being, to connect with the many rather than the few. Wisdom communicated through the feeling side of the being.

### **#084 Pink/Red**

**Candle in the wind:** *A sense of vulnerability. A strength towards a higher purpose.*

Vulnerability, compassion, and the energy towards a higher purpose. An awakening to what love is, the love which is the source or the basic ground of existence, both caring and desire in awakening.

### **#085 Turquoise/Clear**

**Titania, Queen of the Fairies:** *Light within, the path of individuation unfolds in the conscious mind*

A new communication for a new time expressed through the feeling side of the being, expressed from the heart and how sometimes when one has held back with what one feels, a new creative expression can then result. Sometimes the light asks that one may express the creative communication of the heart. May help when there have been difficulties in expressing one's creativity. As one gets closer to the light within, so one moves forward on the process of individuation. The intuitive connection of the creative aspect within, with the realm of devas, fairies, the subtle energies of the earth and the beings of the earth.

### **#086 Clear/Turquoise**

**Oberon, King of the Fairies:** *Understanding of the light upon the path of individuation.*

An opportunity to express the creative communication of the heart. The possibility of overcoming suffering in a conscious way. May bring clarity into one's emotional responsiveness to situations, circumstances, people and things. The intuitive

connection of the creative aspect within, with the realm of devas, fairies, the subtle energies of the earth and the beings of the earth.

#### **#087 Pale Coral/Pale Coral =**

**Love Wisdom:** *To be able to see oneself beyond the reflection of self. The wisdom of love.*

To go beyond the reflection of self. An awareness that one can see oneself in others in the mirror of what is in front of one and to go beyond this to see the essence that lies within. Love Wisdom, a letting go in the context of unrequited love.

#### **#088 Green/Blue**

**Jade Emperor:** *As we plant so shall we reap but it is the way that we plant that makes a difference.*

A deep wisdom handed to the earth that is the clearing of the karmic patterns of the past within the collective and the opening of a new way of being. An awakening to the love of the earth. A creative quality in whatever we have to do.

#### **#089 Red/Deep Magenta**

**Energy Rescue/The Time Shift Bottle:** *A time shift, a gateway to a new understanding and a new possibility towards enthusiastic wellbeing.*

A new paradigm, a window or portal. To begin to bring that new paradigm into being: Time as Art. Awakening to the love within existence. The renewal of energy, a letting go of disconnectedness or separation.

#### **#090 Gold/Deep Magenta**

**Wisdom Rescue:** *The initiate finds the way to be able to be active in the world*

The connection with the belly, the incarnational star, brings the opportunity to put one the right way up in the world where one may access the wisdom that has always been there. Deep joy can produce a new balance within the depths of the self.

#### **#091 Olive Green/Olive Green**

**Feminine Leadership of the heart:** *The trust in the Holy Spirit. Love brings up everything unlike itself for the purpose of healing. The hope, not in the sense of anticipation, but in the sense of a positive attitude towards that which will come to be.*

Feminine leadership. Through the letting go of the bitterness of the past, one comes to the sweetness of Spirit, to the promise of the Holy Ghost. A deep sense of peace and optimism as a new light is borne out of the circumstances of the past.

#### **#092 Pale Coral/Olive Green**

**Gretel:** *Feminine Leadership, independence. Co-operation rather than competition. Peace as a priority.*

The opportunity for a deep level of trust within the feminine intuitive, to transcend competition and forge the way forward in a non-competitive way through co-operation. The development of the luminous egg as the subtle fields take on a new form. The clarity of direction that ensues from trusting the intuitive, as one trusts the essence of oneself.

#### **#093 Pale Coral/Turquoise**

**Hansel:** *Facing the shadow to be able to find the truth of the heart as we see more aspects of ourselves*

Singularity of vision as many of the polarities within the self are brought together. Harmonizing that shines its light on many aspects within. A sense of creativity unfolding in the light of the new consciousness emerging, as one begins to see beyond the limitations of self.

#### **#094 Pale Blue/Pale Yellow**

**Archangel Michael:** *An intense truth is revealed in relation to the evolution of consciousness.*

Michael stimulates the heart, not in an intrusive way, but for those who wish to open their hearts through getting in touch with the star within. Michael facilitates, when the desire is present, to connect deeper with the unfoldment of the true purpose in the world.

#### **#095 Magenta/Gold**

**Archangel Gabriel:** *The messenger from the stars that we may get in touch with our true purpose*

The messenger of the star. The alignment with the soul star and the incarnational star, that which is above one with that which is in the belly. The messenger of the star means to be able to communicate one's true purpose in the world. Putting the love in the little things helps to reveal the wisdom within.

#### **#096 Royal Blue/Royal Blue**

**Archangel Raphael:** *To bring the creative possibility of conception into form. Clarity in relation to the higher energetics of being*

Clarity, creativity brought into form, the higher mind functions. The creative nurturing energy that comes through the trust in the intuitive that is fed in from above. An awakening to the lightness of being that, through clarity of perception, is able to see that which was previously unseen.

### **#097 Gold/Royal Blue**

**Archangel Uriel:** *Clarity in relation to the true purpose for oneself. A deeper understanding of the heart*

A letting go of Utopian idealism that enables one to see into the innermost depths of one's being, with clarity. To feel the opening of the heart as the love rises within the depths of the self.

### **#098 Lilac/Pale**

**Archangel Sandalphon/Margaret's bottle:** *A four way energy connection: above & below, to the left and to the right. The inner child within ourselves becomes the angel that we are.*

A child is in the isness of the Buddha nature, of the Christ within the self. That innocence and purity brings many aspects of one's being together, above and below, the angel, the lightness of our being, with what belongs to the physicality, enabling one to find the essence of the child within oneself, the child that views the world in wonder beyond the labels or impositions upon what is, that tries to bind things in security rather than letting things be as they are. To be that child is also to be the angel that you are. To be a catalyst in relation to the new consciousness means taking up one's place as a corpuscle in the body of the emerging Christ in the world. The more one gets out of the way and lets go, the more the new consciousness manifests in the emptiness of one's space.

### **#099 Pale Olive Green/Pink**

**Archangel Tzadkiel/Cosmic Rabbits:** *A new opening to the love of self is a step towards one's purpose in the world*

To feel a sense of connection with the being of the earth by being open and receptive within the self. A new beginning for love that links one to the love of the earth. The possibility of broadening one's vision, letting go of anticipation by trusting the feminine intuitive within the self. *Return Journey of the Universe (21)*

### **#100 Clear/Deep Magenta**

**Archangel Metatron:** *Shining the light into the shadow. A new dawn in the inner worlds.*

Shining the light into the shadow. To connect with what brings the possibility of wholeness from the depths of one's being to alleviate suffering, and to understand that suffering in the context of the love of existence. To let go of what one has said 'no' to, what one has resisted or denied within oneself.

### **#101 Pale Blue/Pale Olive**

**Archangel Jophiel:** *The way back to the garden of the heart. The opening of a new level within our being*

The way to the garden of the heart. To find a sense of what is being asked of one that comes from the still, small voice within. Trusting the feminine and allowing the peace in its most intense form, to link one with one's true purpose.

### **#102 Deep Olive/Deep Magenta**

**Archangel Samael:** *O-live, where we find a new beginning in relation to the hope within ourselves. Upon what do we build the foundations of our lives?*

Where one has built towers, structures, circumstances that bring a false sense of security rather than to have done the ground work in relation to the trust in the spirit that lies within. To let go of the bitterness of the past, to trust the truth that gives the ground for one to build anew.

### **#103 Opalescent Pale Blue/Deep Magenta**

**Archangel Haniel:** *The support and the higher will. The light at the end of the tunnel begins to glimmer in the distance.*

The protection for that within that sees the light at the end of the tunnel, at the end of an age of ignorance. The hope, that is not anticipation, in that which comes from the future towards the present. The opportunity to fulfill one's purpose in the context of the deepest love. Putting one's energy and attention on the solution rather than the problem.

### **#104 Iridescent Pink/Magenta**

**Archangel Chamael:** *It is as it is. A new beginning for love. A new order of being.*

It is as it is. The love within one supports one whenever one allows oneself to be. When one accept oneself to the extent that that love brings the opportunity to expand. The love that says 'I love myself the way I am'

### **#105 Iridescent Coral/Coral**

**Archangel Azreal** *Deep insight, insight, ecstasy, upliftment*

Awakening to the new consciousness; freeing ourselves of karmic patterns or the seeds of Karma by bringing our attention to the way that we do what we do. Offers a sense of unified consciousness. Overcoming difficulties of filling the gaps in ourselves by projecting our gifts onto others.

### **#106 Misty Pale Olive/Misty Lilac**

**Archangel Ratziel** *Reciprocal maintenance and the inner alchemy of the heart.*

I knowingly participate in the unfold of the plan on earth.

### **#107 Opalescent Turquoise/Deep Magenta**

#### **Archangel Tzaphkiel**

The creative absorbency that may be accessed by each of us. The love of the mother.  
The sea of consciousness opens before me as I let go of the past.

### **#108 Mid Turquoise/Mid Olive**

#### **Archangel Jeremiel**

Through the stillness comes the communication of love and truth from the heart.

## **How to use the Equilibrium Bottles**

**Note:** Your equilibrium bottle has been selected by you for you, avoid others handling or using it, keep it for your use only so that you and it stay focused on benefiting you, your practitioner can advise on the products you can share with your family and friends.

Your Practitioner will show you how to use your Equilibrium Bottle each is used in a select way.

Your chosen Equilibrium bottles is shaken in your left hand, a small amount of the mixed oil and water contents are then poured into your right hand. Carefully rub your 2 hands together and apply the mixture to the area of your body where the colours correspond to the Chakra's of the body, see image.

You may also apply the mixture to any other part of the body you desire.

With Equilibrium that contains Red, it is recommended not to apply above the waist or late at night as it is energizing and may keep you awake.

Bottles 26 and 87 have specific methods of application.

It is recommended you apply your Equilibrium bottle 2 x daily. Using it all up – to the last drop, within a 7 week period. We say that it is in using the last drop that the real transformation can take place, as you have dedicated and allowed yourself to receive this gift.

After using up your Equilibrium bottle it is recommended to see your Aura-Soma® Practitioner again, to review the process and allow yourself the gift of a new bottle to continue your journey of unfoldment.
